

## Booking Terms

For larger bridal parties or those concerned about timings, Jessica offers the option of having two Makeup Artists present on the wedding morning. This service - accommodating bridal parties of up to 12 people without the need for an excessively early start.

Every booking includes a morning schedule carefully planned around your ceremony time, ensuring all makeup is completed at least one hour before you need to leave. This allows for final touches, photographs, and a calm, enjoyable lead-up to your ceremony.

A touch-up kit is also included for the bride, containing essential items such as lipstick, powder, disposable brushes, oil blotters and other key products so you can refresh your look later in the day or evening.
